

Script for success in business and increasing your productivity

Hypnosis Induced
Deepener set

As you go deeper and deeper, you realise that one of your strongest desires, one of your most powerful motivations, is to succeed in both in business and at home ... to enjoy success and most importantly happiness... your subconscious develops a strategy for achievement by way of visualization.... Visualizing what you need to achieve all your goals... to show your subconscious what, and how, you want to be... and what you want to achieve 'Visualize now by using an imaginary tv screen in your mind,... approximately three foot across, and project yourself on that screen as the very successful businessness person that you want to be.. That you are going to be... ... do this now... [pause for 30 seconds] this is a special screen and you can change the image with the dials at the bottom of the tv monitor you can add extra confidence and pride.... Happiness... change whatever other emotions you want to change... 'take a moment to do this.. Turn down other dials to decrease negative emotions... getting rid of all doubts.... Work on the doubt dial until you are satisfied it is as low as it will go... now switch on all the controls that brighten your image.. The colour... the brightness... the brilliance full nicon... work on this picture every day by taking a few moments to focus with your imagination... and make the wanted changes to the picture... see the image of yourself glowing with success and achievement.. Looking happier... more confident... younger... fitter....now let that picture fade..., let it become part of your conscious and subconscious mind. Take a deep breath and relax yourself even moreeach day you find your subconscious guides you with new ideas to increase your productivity Ideas that you find easy to follow because they are in harmony with all your other values..., emotions,... desires and ambitions.... Your subconscious brings forward.... Inspiration and positive ways for you to decide which strategy is best for you ... your mind is clear for decision-making... allowing you to see all the options... simplifying.... No longer wasting unproductive time by worrying... now you have made up your mind you can move on'your self-confidence is increasing ...and every day you ... Feel even better about your work... you are very capable of applying your skills so that you work effectively and efficiently ... you are confident in your choice of procedures for your own professional advancement.. Good sensible ideas that will improve your value and your personal standing. Using all the skills that you have worked so hard to achieve.... your subconscious is now programmed to perform at the optimum level.. Producing the best results possible... both at work and at home. Now for constructive.... Thinking... you can do this automatically you can help your subconscious further by giving precise instructions of the areas to be covered You notice the areas that you have neglected The areas that have caused you not to achieve as much as you know you can ... now these areas are being strengthened by your subconscious

strengthened and built up with information that you have stored in your inner mind Information that you have digested but did not realise was stored.... It is there at your disposal.... Your subconscious taps into this vast wealth of information so that you can work on any weak links which have caused your earlier failures... those failures now become your strengths... when you have technical problems, your mind automatically clears, allowing you to see alternatives ... Broadening your outlook so that you are able to go forward and progress and be successful in all that you do.....problems now become just obstacles to get around or overcome you now have the confidence that your subconscious will feed you with all the relevant information Choosing from your memory files information which gives you the edge to make accurate and correct decisions... decisions that result in your ultimate success and achievement.'

Fully switched on.. Fully focused at all times.
